

#### of Energy Efficiency Projects" is an EU-funded research project under the Horizon 2020 programme, aiming to assist financial institutions increase

Welcome to Triple-A

Triple-A "Triple-A: Enhancing at an Early Stage the Investment Value Chain

their deployment of capital in energy efficiency, making investments more transparent. In particular, Triple-A project is seeking to identify which investments can be considered as Triple-A investments, fostering sustainable growth, while also having an extremely strong capacity to meet their commitments, already from

the first stages of investments generation and preselection/ pre-evaluation.

Why Triple-A?

institutions. • Benchmarking of the EE projects and selection the "Triple-A"

- investments, which merit attention by funding organizations. Linking Triple-A investments ideas with possible financing

## APES - Association of Energy Service Providers

Triple-A Advisory Board consists of eight members from well-established institutions and companies represented by energy and financial consultants with the aim to provide insights for EE projects and their efficient financing:

EnergyPro Ltd

- INZEB Institute of Zero Energy Buildings Joule Assets Europe • SUSI Partners AG
- Sustainable City City Network for Sustainable Development and Cyclical **Economy**

• HOLISTIC S.A.

• EnerSave Capital S.a.r.l.

- Their experience and expertise, along with their active participation will
- contribute significantly to successfully broaden and strengthen the technical aspects, stakeholders' dialogue process and outreach of the Triple-A project.

Covenant of Mayors Investment Forum-Energy Efficiency Finance Market

Triple-A participated in the Covenant of Mayors Investment Forum-Energy Efficiency Finance Market Place (EEFMP) held on the 18<sup>th</sup> and 19<sup>th</sup> of February

The event's scope was to showcase successful projects on financing climate adaption, energy efficiency, clean mobility and innovative energy planning, as well as initiatives working across Europe to facilitate the market for climate and

#### and the European Commission sharing experiences and best practices for successful solutions to common challenges, while also establishing synergies.

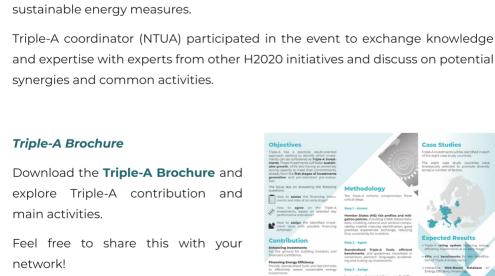

Triple-A partners (adelphi, CREARA and NTUA) interacted with other high-level representatives from Covenant of Mayors initiative, the investment community

NTUA participated at the EASME Contractors' Meeting 2020, which took place

The event was an excellent occasion for H2020 projects to get together, share their experiences, exchange lessons learnt and best practices, as well as to expand their network of experts working on financing and implementing
