

Triple-A Survey Investors' Preferences on Energy Efficiency Investments

We are pleased to announce the release of the **3rd Triple-A Briefing Note** presenting results emerged from the **Triple-A** stakeholder consultation on energy efficiency investments. The consultation took place from February to March 2021 and was a structured participatory approach based on a dedicate a questionnaire.

The questionnaire was developed within the context of the **Report on the Cost of Capital Estimation of Energy Efficiency Projects across Member State Countries**, while an important number of responses were provided by bankers, investors and energy efficiency experts across the eight (8) Triple-A case study countries, namely Bulgaria, Czech Republic, Germany, Greece, Italy, Lithuania, Spain and the Netherlands.
