

Triple-A & INFINITECH Joint Event

Risk Assessment Techniques for Modern Sustainable Investments

Date: April, 5th, 2022
Time: 13.00 – 15.00 CET

Title: Risk Assessment Techniques for Modern Sustainable Investments

Date: April 5, 2022

Time: 13:00 - 15:00 CET

Agenda: click [here](#)

The [Triple-A](#) project invites you to participate in the joint workshop that will be organised in collaboration with the H2020 [INFINITECH](#) project. The two successful European initiatives join forces in order to gather and promote knowledge regarding **Risk Assessment Techniques for modern, sustainable and ESG compliant investments.**

Representatives from [Triple-A](#) and [INFINITECH](#) will introduce their activities, presenting their outcomes and best practices with regards to risk assessment

in energy efficiency projects. Furthermore, high-level experts and business actors will participate in a roundtable, sharing their knowledge and expertise in key topics:

- Energy Efficiency Financing Risk Mitigation Strategies: Challenges & Solutions
- Policy Recommendations to boost Energy Efficiency Financing in the EU.
- ESG Strategies & Decision-Making Optimisation through AI & Machine Learning
- Machine Learning & AI for Risk Analytics: Opportunities & Risks
- Role & Benefits of Blockchain technology in Risk Assessment
