Triple-A Final European Roadshow

10th May 2022

The banner features the Triple-A logo on the right. The text on the left reads: 'Final European Roadshow', 'Facilitating Energy Efficiency Project Financing at an Early Stage: Recommendations from the Triple-A project'. Below this, it says '10th of May 2022, 13:00 – 16:30 CET' with a calendar icon, and 'Online' with a location pin icon. At the bottom, there is a row of logos for EPU, ABN-AMRO, IEECP, JRC, GFT, creara, adelphi, TEESlab, SEVEN, VIPA, and the National Skills Education. A small text box on the left mentions funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 846569.

Final European Roadshow

Facilitating Energy Efficiency Project Financing at an Early Stage: Recommendations from the Triple-A project

10th of May 2022, 13:00 – 16:30 CET

Online

The Triple-A project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 846569.

Join us online for the great Final [“European Roadshow: Facilitating Energy](#)

[Efficiency Project Financing at an Early Stage: Recommendations from the Triple-A project](#)". The event will conclude the Horizon 2020 [Triple-A project](#), present the project's [key findings and recommendations](#) while pairing them with European Stakeholder perspectives, and introduce the current state of energy efficiency support measures in the Netherlands.

The event is hosted by Dutch Triple-A partners [ABN AMRO](#) & [IEECP](#) on Tuesday, 10th of May 2022, 13:00 – 16:30 CET, online through MS Teams.

Regional Training Workshops Series

November 2021 – February 2022

To ensure efficient stakeholder participation, groups of critical stakeholders were brought together in the [8 Regional Training Workshops](#) during the period November 2021 – February 2022. The workshops have been tailored to the outcomes of the Standardised Triple-A methodology. [Training](#) and [know-how transfer](#), in general, were implemented in a reliable [cooperation environment](#) during the training workshops to identify [attractive energy efficiency projects in the targeted countries](#). They also facilitated a [dynamic dialogue](#) mechanism to share standard tools and instruments on a national/regional level when introducing energy efficiency investments. The full-day training workshops took place in Bulgaria, the Czech Republic, Germany, Greece, Italy, Lithuania, the Netherlands and Spain, gathering more than 350 participants.

The recordings are available [here](#).

Triple-A & INFINITECH joint workshop

5th of April 2022

Risk Assessment Techniques for Modern Sustainable Investments

Date: April, 5th, 2022
Time: 13.00 – 15.00 CET

In collaboration with the H2020 [INFINITECH](#) project, Triple-A organised the “Risk Assessment Techniques for Modern Sustainable Investments” online workshop on the 5th of April 2022. The two [successful European initiatives](#) joined forces to gather and promote knowledge regarding Risk Assessment Techniques for modern, sustainable and [ESG](#) compliant investments.

In the workshop, representatives of the Triple-A and the INFINITECH H2020 projects introduced the work carried out, presenting [outcomes, results, and best practices](#) regarding risk assessment techniques and methods. Furthermore, high-level experts, business actors and [Triple-A Advisory Board](#) members (Csaba de Csiky- [EnerSave Capital](#) & Alice Corovessi-[INZEB](#)) ran a roundtable, sharing their knowledge and expertise apropos:

- Energy Efficiency Financing Risk Mitigation Strategies: Challenges & Solutions
- Policy Recommendations to boost Energy Efficiency Financing in the EU.
- ESG Strategies & Decision-Making Optimisation through AI & Machine Learning
- Machine Learning & AI for Risk Analytics: Opportunities & Risks
- Role & Benefits of Blockchain technology in Risk Assessment

2nd SMAFIN National Roundtable in Greece

14th of April 2022

The 2nd SMAFIN [National Roundtable](#) in Greece was organised on the 14th of April 2022, focusing on how to support the implementation of smart financing for [energy-efficient buildings in Greece](#). Triple-A coordinator, Dr Chara Karakosta (NTUA), represented Triple-A and participated as a panellist in the session “[Taxonomy](#)”, further promoting Triple-A Tools and results. Special focus was given to the [Triple-A Assess Tool](#) that assesses the [EU Taxonomy](#) compliance of the energy efficiency project ideas. Mr Kostas Pavlou ([Piraeus Bank](#)- Triple-A partner) also participated as a panellist in the same roundtable to analyse important aspects of the EU Taxonomy. Mr Yannis Konsolas ([Piraeus Bank](#)- Triple-A partner) participated in the session “[Financing energy efficiency in residential buildings](#)”, presenting “[Financial tools for energy upgrading homes](#)”.

[Lessons learnt from the identification of Triple-A Investments](#)

This [report](#) conveys a cross-country comparison of Triple-A projects, all the lessons learnt of the process of identifying the Triple-A investments and a presentation of the robust financing programs or models

[Triple-A Synthesis paper for each case study.](#)

This report sets out a set of procedures and policy interventions in the form of a Synthesis paper for the Triple-A specified sectors, namely buildings, industry, transportation, District Energy Networks and outdoor lighting in the Triple-A case study countries (Bulgaria, Czech Republic, Germany, Greece, Italy, Lithuania, Spain and The Netherlands).

[Triple-A European Synthesis Paper](#)

This document presents the summary and key outcomes of the Triple-A project derived from the activities undertaken under the various Work Packages. The goal is to present in a complete but integrated way the outcomes of the project to increase impact, raise awareness, disseminate lessons learnt and inspire future activities.

[Capacity Building Webinars Summary & Key Learnings Report](#)

This document details the summary and key-learnings of the webinars activity and is part of Triple-A Deliverable “Report on national stakeholders’ consultations”, which holds a full description of all actions taken to engage stakeholders throughout the project’s duration.
