

The poster for the 'Final European Roadshow' event features a blue and white color scheme. It includes the Triple-A logo and the event title. The text describes the topic as 'Facilitating Energy Efficiency Project Financing at an Early Stage: Recommendations from the Triple-A project'. It specifies the date as '10th of May 2022, 13:00 – 16:30 CET' and the location as 'Online'. At the bottom, there is a row of logos for various partners, including EPU, ABN-AMRO, IEECP, JRC, GFT, creara, adelphi, TEEsLab, SEVEN, VIPA, and the National Risk Register.

Final European Roadshow

Facilitating Energy Efficiency Project Financing at an Early Stage: Recommendations from the Triple-A project

10th of May 2022, 13:00 – 16:30 CET

Online

The Triple-A project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 846569.

Title: Facilitating Energy Efficiency Project Financing at an Early Stage: Recommendations from the Triple-A project

Date: Tuesday, 10th of May 2022

Time: 13:00 – 16:30 CET

We are glad to invite you to the final [European Roadshow event](#) of the Horizon 2020 [Triple-A Project](#) on “**Facilitating Energy Efficiency Project Financing at an Early Stage: Recommendations from the Triple-A project**” which will be held online through MS Teams. The event will focus on Triple-A’s **key findings** and **recommendations**, pairing them with European **stakeholders’ perspectives**, providing an overview and an introduction to the current state of **energy efficiency support measures in the Netherlands**.

[Click here to register](#)

Join us and learn more about energy efficiency projects' **financing, energy efficiency investments** standardised **benchmarking**, our strategy for exploiting our main outputs and Tools, as well as **key recommendations** for European countries concerning the **mainstreaming process of energy efficiency**.

The event is hosted by Dutch Triple-A partners **ABN AMRO**, one of the leading Dutch Banks & **IEECP**, an international research institute.

We have the honor the event to be opened by **Mr. Robert Swaak (CEO of ABN AMRO)**, while **Prof. John Psarras (NTUA)** will welcome the participants on behalf of Triple-A project.

During the **1st session**, Triple-A partners will provide a good overview of Triple-A contribution to energy efficiency financing, through the presentation of **Standardised Triple-A Toolbox**, the results of the energy efficiency projects **benchmarking and their exploitation**, as well as **recommendations for policy framework**.

The **2nd session** is dedicated to the **Dutch energy market** with presentations by **ABN AMRO** representatives, talking about key topics of interest to the financing community, project developers and energy sector stakeholders.

In the **3rd session** interesting presentations will be made by our Advisory Board Members, **Leo Bedford** - EP Group, **Alice Corovessi** - INZEB, **Csaba de Csiky** - EnerSave Capital, while a fruitful discussion will follow.

Finally, during the event Triple-A's sister Horizon 2020 projects **E2DRIVER**, **EEnvest**, **EN-TRACK**, **INFINITECH**, **SMAFIN** will have the opportunity to present their scope and strategies for the promotion of energy efficiency investments.
